## FOLLOW US

We Are a Comprehensive Women`s Health Care Facility. The highly skilled and trained professionals at Professional Gynecological Services specialize in providing complete gynecological care and New York abortion clinic services in a comfortable, private and supportive environment.

The primary goal of the service is to provide safe healthcare and privacy during stressful times. The purposes are to educate, inform and provide clinical and emotional security. The clinic is conveniently located in the heart of Brooklyn with easy access from Manhattan, as well as on Staten Island. Public transportation is accessible, minutes away from the city.

The mission of Professional Gynecological Services is to treat each woman as a whole person, addressing her physical and emotional needs while at our New York Abortion Clinic so that she can make informed health care decisions, provided with safety and discretion. The staff can answer all your questions regarding abortion procedures and information on the abortion pill (RU486) versus the morning after pill.

For more information about Professional Gynecological Services or to schedule an appointment, please contact our Brooklyn office by number (718) 875-4848 or our Staten Island office by number (718) 442-3434.
